CARTE POSTALE. POSTKARTE.

(FOR ADDRESS ONLY.)

By Appointment.

High Street is one of the main thoroughfares of the old part of the flourishing and important seaport city of Bristol which has been one of the foremost cities in the West of England for centuries past. In former days the city enjoyed an exclusive trade with the West Indies, and even of later years, in spite of the keen competition of its rival ports, a tremendous shipping business is carried on here.
